

IMMUNOBIOLOGY NEWSLETTER September 20, 2006

Dr. David Harris

Dr. Harris' lab was featured on the front page of the Arizona Wildcat on Wednesday, September 6, 2006.

Dr. Harris has been invited to Houston, Texas on September 20, to speak to OB/GYN's regarding cord blood stem cells.

Dr. Harris was also invited to give the Dean's Frontiers in Research Seminar to the College of Medicine on September 12.

Payal Sarkar

Payal won a \$2000 award for writing a research proposal which was adjudged in the top ten research proposal categories conducted by the World Aquatic Health Conference. Payal will be going to Austin in September to collect the award and to present the research entitled: Development of Disinfection strategies to control recreationally transmitted *Naegleria fowleri*; a fatal parasite.
